

BRYANT®

Need Almond?

We have it!

With Bryant, you can always count on durable, high-quality wiring devices and accessories at a competitive price. Now, you can add Almond to the list of available colors.

Almond is rapidly becoming one of the most popular colors in the commercial market; typically being specified for hotels, offices and retail spaces. Bryant can help meet this increasing demand by providing a complete line of devices in this new, softer color.

With an offering of Commercial Grade Switches and Receptacles, Fashion Series® Switches and Receptacles, Ground Fault Receptacles, Heavy-Duty Receptacles, Surge Receptacles and Wall Plates in Almond, Bryant has provided another solid solution to meet your needs.

For additional product information and color selections, consult the Bryant catalog, visit us on the web at www.bryant-electric.com or call Bryant Customer Service at 800-323-2792.
